## Comprehensive Management Liability

- 1. The proposal form must be completed and signed by a Director or the Company Secretary of the proposer company who is duly authorised by the proposer to do so.
- 2. Completing and signing this proposal form does not bind SHA to enter into a contract of insurance
- 3. A legal duty is owed to the insurers to disclose all facts, matters, or circumstances known or reasonably expected to be known to the proposer or any proposed insured person which are material to or which may influence the insurer in the consideration and judgement of the risk being proposed, its acceptance and the particular terms upon which it may be underwritten by the insurers.
- 4. The proposal form is not exhaustive, which means that after evaluating your answers, we might have additional questions. If there is insufficient space in this questionnaire to provide answers or information, please use additional sheets
- 5. By completing and signing this proposal form, you accepts and acknowledges that you has read and fully understood it contents and their possible effect in relation to the contract of insurance that may be entered into as a consequence.
- 6. Please attach the following information to the proposal form, as is applicable:
  - Audited financial statements as at last latest year end.
  - Details of any Joint Venture arrangements / partnership agreements
  - Expiry policy and wording, in order that we can revert with comparable quotation. Premium information may be redacted
- The Directors and Officers Liability policy is a 'claims made' liability insurance policy. It only provides cover if a claim is made against the insured, by some other person, during the period of insurance.
